Additional Membership Information (as of September 2020)

- SJTA membership provides playing privileges at both Green Belt (indoor) and Riverdale (outdoor) tennis facilities, unless otherwise specified.
- Every person who uses SJTA facilities must have a SJTA profile on file. This includes non-members. Courts cannot be booked or used without a fully completed profile.
- Intro Year memberships are available to those who have not held a SJTA tennis membership within the past 24 months.
- 30-for-30 promotional memberships (30 days of tennis for \$30) are periodically offered for those who have not held a SJTA tennis membership within the past 12 months. These memberships must be purchased in-person and provide, for a 30-day period, one court booking of up to 90 minutes per day without any court fees during prime or non-prime time hours, as well as a five (5) day court booking window. These memberships are not available during the summer months.
- Players are permitted to book one court per day, for up to 90 minutes of playing time. Court time can be booked online, in-person or by phone. Members can book courts in advance according to the booking window specified for their membership category. League play and private lessons are not included in this limitation.
- SJTA's two facilities (Green Belt and Riverdale) are closed or have reduced hours on several statutory holidays during the year. These are listed on the SJTA website. Both facilities are also periodically closed for special events, maintenance, inclement weather or other events outside of SJTA control and Green Belt has reduced hours during the summer months. Members will be informed of closures with as much notice as possible. No refunds/credits are given for missed time.
- Membership fees are due in full on the day the membership begins unless a pre-authorized credit card profile is provided for monthly payments. Memberships are a full-term commitment, even when paid monthly. By purchasing a membership and paying monthly, you are agreeing to fulfill a 12-payment (annual) or 3-payment (3-month) obligation, regardless of use. Membership fees will not be credited or refunded for unused time throughout the membership period, except in the following cases:
 - Membership extensions are offered if a member cannot play for three (3) months due to medical reasons and a valid doctor's note is provided.
 - Membership refunds (up to 50% of the remaining balance) may be provided for work-related transfers only.
- Yearly memberships that are paid in full when purchased will be extended by one additional month.
- Most memberships have guest pass allocations. Passes are valid for the current membership period and expire when that period concludes. One pass admits one guest for a single court booking. Guests must play with the member named on the pass. The pass must be given to front desk staff to avoid court charges. Passes are not transferable. Lost passes will not be replaced.
- Club leagues are scheduled term-to-term. Additional league fees may apply. Benefits and league fees vary between leagues. Courts for league play are block-booked for the entire term. Participants are responsible for any court fees associated with league play.
- Tournament fees include entry to the associated social event when one is scheduled.
- Parking privileges are provided to club members and participants while they are on-site, playing tennis/pickleball or participating in a program.
- Prospective members can play their first hour free of charge.
- Further information and conditions can be found in the SJTA Membership Terms and Agreement, which must be agreed to when completing a SJTA profile.
