* Intro and promotional memberships are available to anyone who has not had a Green Belt Tennis Club membership in the past 24 months.

Membership Terms (Sept 2019)

- Membership includes playing privileges at both Green Belt (indoor) and Riverdale (outdoor) tennis facilities, unless otherwise specified.
- Court time can be booked on-line (by members) or via phone up to 1 ½ hours per day, and you can walk on for additional playing time.
- Holidays: SJTA is closed on New Year’s Day, Christmas Day and Boxing Day, and has reduced hours on other holidays and during the summer months.
- An SJTA membership does not guarantee you 365 days of access to the club. We are periodically closed for holidays, snow days, special events, and maintenance or other events outside of our control. We will inform members of any closures with as much notice as possible. No refunds/credits will be given for missed time.
- All membership fees are due up front unless a pre-authorized debit form is completed for the remaining balance due. Membership fees will not be credited or refunded for unused time throughout membership, except in the following cases:
 - Membership extensions are offered if members cannot play for 3 months due to medical reasons.
 - Membership refunds (up to 50%) are offered for work-related transfers only.
- All prices listed are exclusive of HST.
- The out of town membership is based on your principal residence being 100 km direct drive from the Greenbelt Tennis Club. Members must reapply each year stating the location of their principal residence. Principal residence is where you reside 6 months + 1 day each year.
- Visiting Family members: can play 2 times each year/and or use guest passes. Normal court fees apply after that.
- Parking passes are not issued for lessons, camps or clinics.
- Club leagues: Are organized by the club, and courts are booked for duration of the league. Balls are provided.
- Tournament fees include entry to associated social event, when scheduled.
- Student Memberships are for students under age 24 as of Dec 31, with a current student ID, and a course load of 3 or more courses.
- Punch pass hours can be used for multiple players. Transferrable, but non-refundable.

| Court Fees | | |
